DRIED FRUIT-Apples 5 cents, and Peaches 6 to 10 cents per lb. We note some enquiry, and a good article (put up in barrels or two bushel bags) would sell at above prices. FEATHERS-Are in moderate request, and few or none on

market. We quote at 45 to 50 cents per lb., as in quality. FISH-Mullets continue to be in moderate demand, and we note a light supply on market. Received for the week

only 120 bbls. and sold at \$6 for pine bbls. FLOUR-After closing our review on Thursday last a sale was made at \$6 25 for superfine, but under the advices from abroad the market since has ruled inactive, and on Tuesday & Bro.; mdze. gave way a shade, with sales of one or two parcels at \$6 per bbl. for super. There is very little enquiry at present existing, dealers showing scarcely any disposition to operate in anticipation of a further decline in price. The receipts for the week have been moderate, and we notice a fair stock in first hands. We quote the market as dull at \$6 for superfine, and \$6 25 for family brands.

GRAIN-The CORN market rules about the same as reported in our last; -none has been received, and consequently no sales have taken place except in the small way from store. There is a fair supply in dealers hands, still there is some enquiry for a prime article, which would sell readily at a fair price. In the absence of sales we quote nominally at 824 to 85 cents per bushel, as in quality. OATS AND C. & B. G. Worth. PEAS. - No sales have taken place in either during the past week that we are aware of. The market is moderately supplied, and demand light. See table for quotations .----RICE-In clean we have no change to notice. There is a moderate supply in store, and only a light demand from the McLaurin. trade. We quote small sales at 4 cents in tce. and 42 a 48

Hay .- The stock of both Northern and Eastern has become considerably reduced in the absence of receipts, and at present we note a moderate enquiry from dealers. About 300 bales Northern arrived in the early part of the week and to A. E. Hall. sold at 75 cents per 100 lbs., 90 days-being a shade advance on former quotations. Last sale of Eastern was at \$1. WOOD'S HAIR RESTORATIVE. Professor Wood-Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851. I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure. FINLEY JOHNSON. afflicted such a treasure. The undersigned, Rev. J. K. Bragg, is a minister in regu lar standing, and pastor of the Orthodox Church at Brook Cotton-The receipts have been more since our last than field, Mass. He is a gentleman of great influence and uni-WM. DYER.

Brookfield, January 12, 1858. Professor Wood-Dear Sir : Having made a trial of your Flour—We note a decline of 25 cts. per bbl. in all grades. Hair restorative, it gives me pleasure to say, that its effect has been excellent in removing inflamation, dandruff and a prices.

The services Companies from the control of the control o from my childhood; and has also restored my hair, which was becoming grav, to its original color. I have used no other article with anything like the same pleasure or profit.

Yours truly,

J. K. BRAGG.
